

2023 CSA Membership Agreement

Prairie Smoke Farm, Missoula, MT

Thank you for being part of our CSA! We are excited to provide you with the joy of fresh, locally grown flowers this coming season. As a small start-up operation your commitment to our farm means so much, and we will do everything we can to make your experience a positive one. In return we ask you to review and agree to the CSA terms below. Thank you! Sincerely, Megan and Gretchen

Terms

In exchange for a subscription fee of \$200, or \$280 with delivery, Prairie Smoke Farm will provide one (1) floral arrangement each week to each of its CSA members. The subscription period begins in midsummer and runs approximately July 24, 2023 through September 11, 2023 (a total of 8 weeks).

Payment

CSA memberships must be paid in full **no later than May 22, 2023**. If not paid in full by that date, you will not be a member and will not receive arrangements. Thank you for understanding that we cannot offer refunds. If you have made a purchase and no longer want to receive your share, you may donate your arrangement to a charity or organization of your choice.

General Expectations

1. I understand that the arrangement will be composed of a variety of seasonally available materials and that no specific flowers, colors or varieties can be guaranteed. (What we can assure is that your arrangement will be unique and beautiful.)
2. I understand that none of the materials used in the arrangements are intended for edible or topical use. I understand that some materials may be irritating or toxic if ingested by humans or other animals, and I agree to hold Prairie Smoke Farm free of any liability related to the misuse of the materials. If I have any questions, I will ask them as soon as possible.
3. I understand that my arrangement is a living entity and vase life cannot be guaranteed. (However, the farmers do their best to ensure as long a vase life as possible - harvesting early in the day, chilling and hydrating/feeding flowers, etc. - and will provide information on taking care of your arrangement to ensure the longest possible vase life.)
4. If I am dissatisfied with the product or service, I will share my feedback constructively and give Prairie Smoke Farm the opportunity to make it right.
5. I understand that by becoming a member I am sharing in the risk and rewards of the growing season. I realize there is an element of unpredictability with pests, disease, weather, acts of god and other unforeseen circumstances that may contribute or detract from the production of materials, and I agree that my arrangements may be subject to these factors.
